

Tobacco discounting services available!

Great News

The Exxon Mobil Rewards™ program and PDI C-Store Essentials have teamed up with Altria to give you access to a variety of rebates on tobacco products like Copenhagen and Marlboro. These rebates will allow you to offer more competitive pricing to tobacco shoppers.

Exxon Mobil Rewards+ tobacco shoppers purchase more indoor and outdoor compared to the average loyalty member.

Tobacco Manufacturer Programs

Altria designed their tobacco discounting programs with the following tiers.

Scan Data

Share scan data of your tobacco sales to receive a buy-price rebate on cartons and cans.

Multi-Pack

Offer your customers an everyday discount for buying multiple tobacco products in your store.

Loyalty Fund

Offer an additional discount to Exxon Mobil Rewards+ customers. These offers stack with other promos.

CSE Back Office

Provides the tools to stay in the know and better control daily operations, while increasing value and profitability.

Participate in all programs to advertise the largest discount!

Altria designed their tobacco discounting programs with the above tiers. Exact scan data amounts and discounts available for your consumers should be validated with your Altria reps to account for state-by-state restrictions.

Available PDI Service Package

PDI is here to help you run your tobacco discounts by offering three service packages, both of which are available to use with Altria. Sign your sites up as a group or individually.

- **Option 1 – Scan Data & Multi-Pack Package**
